

Manhattan High School Song

1950

Mod. Adagio

(Chorus)

Deep in our hearts there lives a love
 For dear old M.H.S.
 We'll sing her praise thru all our days
 The high school we love best.

Chorus:
 M.H.S. all hail to thee!
 M.H.S. will ever be
 In our hearts a precious memory,
 Hail, hail to M.H.S.

Mod. Adagio

It stands for truth and loyalty,
 With aim and purpose high.
 Though we should roam afar from home
 We'll ever sound our cry.
